

PENELOPE

B O U R B O N

TOASTED SERIES

OVERVIEW

Penelope Bourbon Toasted Series explores new and unique expressions of our signature four grain straight bourbon whiskey. After full maturation in charred new American oak barrels, we finish Penelope Bourbon™ Small Batch Barrel Strength in a new, freshly toasted barrel.

Each barrel is unique and different - making each bottle distinct with its own flavor profile. The barrels selected for this series are the best our inventory has to offer and go through an extensive hand-selection process.

MASH BILLS INCLUDED
